

UVM Professional Development Program Sponsorship Opportunities

Join us in supporting our utility vegetation management industry through sponsorship of our comprehensive training program which was designed and is facilitated by industry professionals, who will lead students through the knowledge and skills needed to plan and manage sustainable UVM programs. This program is a pathway for career development and advancement.

Sponsors will help the UVM Professional Development Program do the following:

- Maintain the courses to ensure they remain relevant and current to today's UVM industry.
- Maintain a website that provides essential resources to the industry.
- Develop awareness among those working in or desiring to work in the UVM industry.
- Promote the industry credential.

Sponsors will be recognized for their industry leadership.
